On November 15, 2018, the Defendant was encountered by Immigration and Customs Enforcement Officers at the San Juan County Adult Detention Center, Farmington, New Mexico. The Defendant was being held on a Driving under the Influence charge. It was determined that the Defendant was a citizen and national of Mexico and amenable to removal from the United States by being in the United States without permission or parole. A review of the Defendants A-File indicated that the Defendant was ordered removed from the United States by an Immigration Judge on April 21, 2008 and was removed from the United States to Mexico. A review of the defendant's Immigration history does indicate that the Defendant neither applied for nor received the consent of the appropriate authority of the United States to reapply for admission into the United States.
